Please indicate below any additional comments that you have eg – are there any other subjects you might like to get from the BLT schools or any issue with this arrangement that you might have.

Please note that these subject groups have been based on the best fit for the students across the Year group.

Please only complete the table on the back of this page if you are definitely or possibly coming back to school.

Please indicate your preference next year by putting them into order by number below eg if you are keen on coming back to school put 1 and then put other school as 2 etc. If you are sure you are going to leave and go to NRC/ Another school/ into work – please let me know.

Next year, my preferred order when I get my GCSE results is to

<i>Come back to school</i>	
<i>Go to a different school</i>	
<i>Go to NRC (Full Time)</i>	
<i>Get a job/ apprenticeship</i>	
<i>Go on a Training course</i>
